Dear Mr. Carlisle,

I have received your letter dated May 13<sup>th</sup>, 2011 advising of your event the [2011 Bird Strike North America Conference](#) to be held at Niagara Falls Marriott Gateway on the Falls over the dates of September 11<sup>th</sup>-15<sup>th</sup>, 2011.

I am pleased to advise you that the use of Tariff Item **9993.00.00.00** is being extended to you for this event.

Goods imported temporarily under tariff item 9993.00.00.00 cannot be sold, leased or further manufactured or processed while in Canada. The goods must be imported in a reasonable quantity pertaining to their use while in Canada. The goods must be exported within a reasonable time after the conclusion of the event. Should participants decide to give away, sell or otherwise dispose of any temporarily imported goods, they must contact the nearest Canada Border Services Agency office or their Customs Broker to arrange for the proper accounting for those goods. After the event, any goods that remain in Canada are subject to the payment of duties and taxes regardless of whether or not the goods are sold.

Also, the use of the Border to Show system is authorized for this event.

**I recommend that any exhibitors coming to this event from outside of Canada, be provided with a copy of this letter for presentation to Canada Border Services Agency officials at time of entry into Canada.**
